How does our Brandwag Emergency SMS System work????

- ◊ When we receive your application and it is accepted. We will issue you with a membership number. You will then be activated on our Brandwag System.
  
- ◊ You are required to save the number 083 855 8772 on your contact list on your phone under the name AANVAL(Attack)
  
- ◊ In case of a emergency in your home or a home invasion you simply send a SMS to the above cell phone number. Our system will send a alert message to all the members in your area, they will receive your physical address and will know immediately where help is needed.
  
- ◊ This system is also used to keep you informed of any situation regarding your safety at all times.
